SALMAGUNDI

1957

The

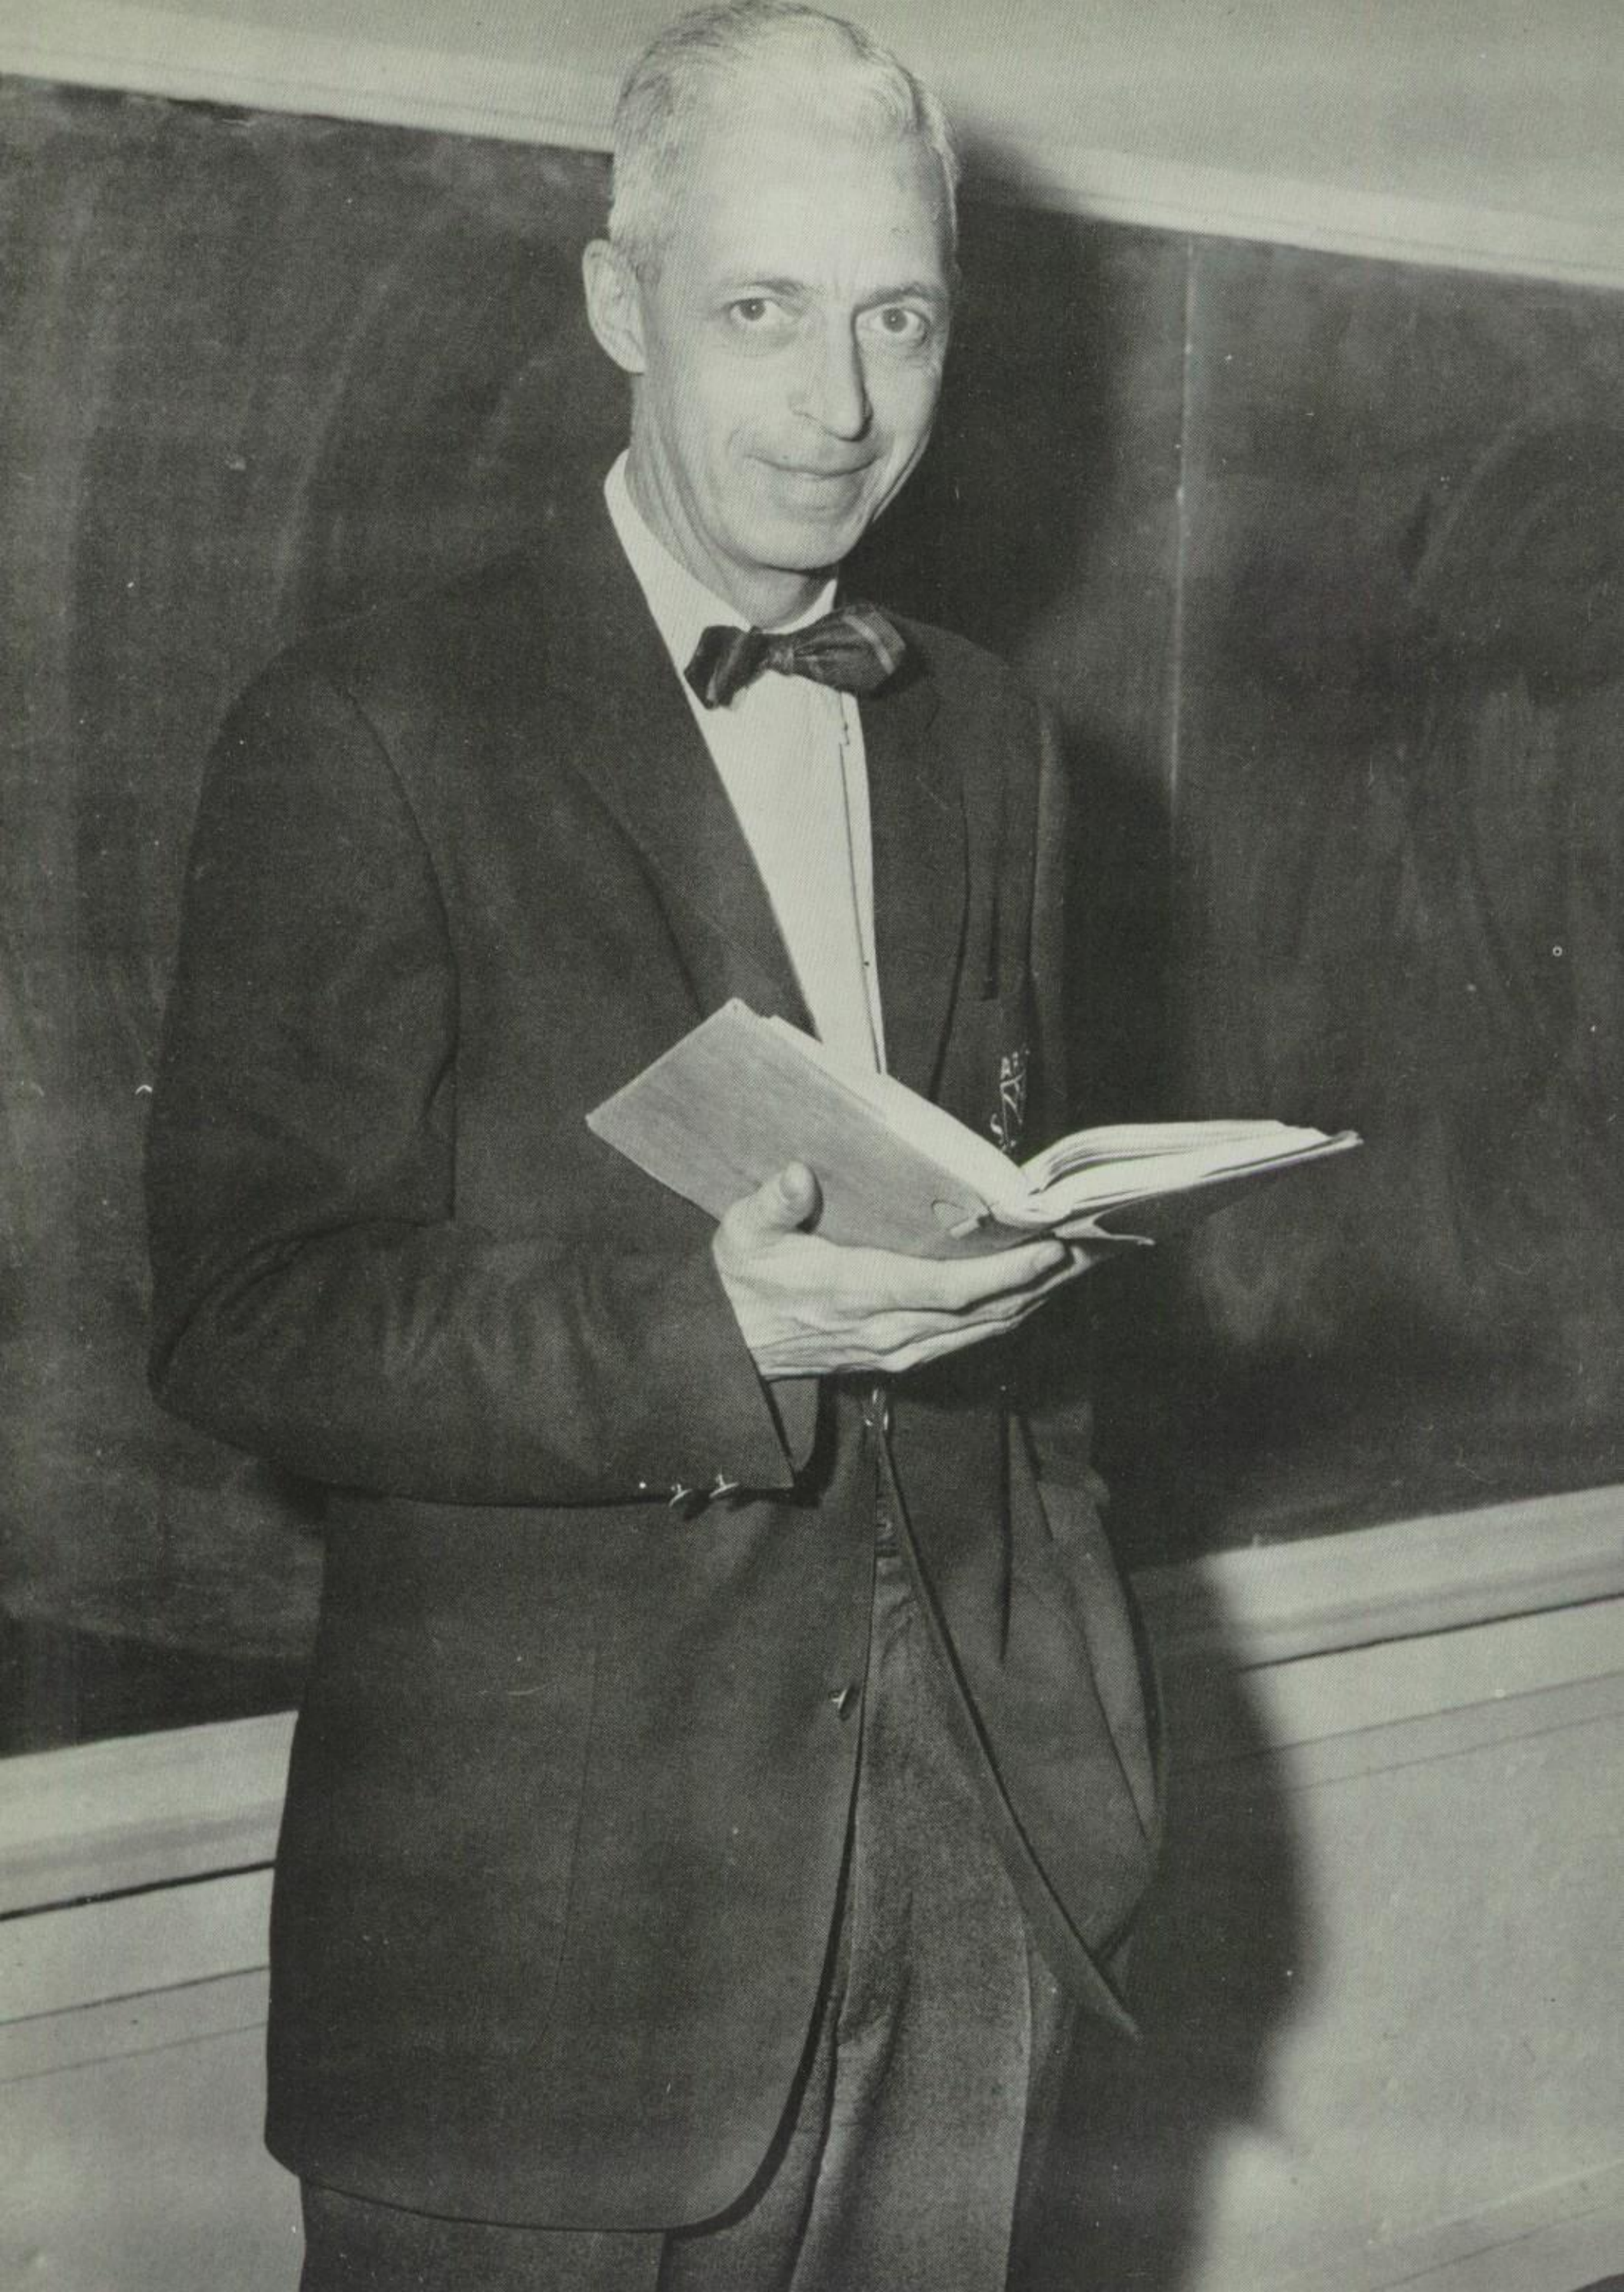
FIFTY-NINTH GRADUATING CLASS

of

MORRISTOWN SCHOOL

Presents the . . .

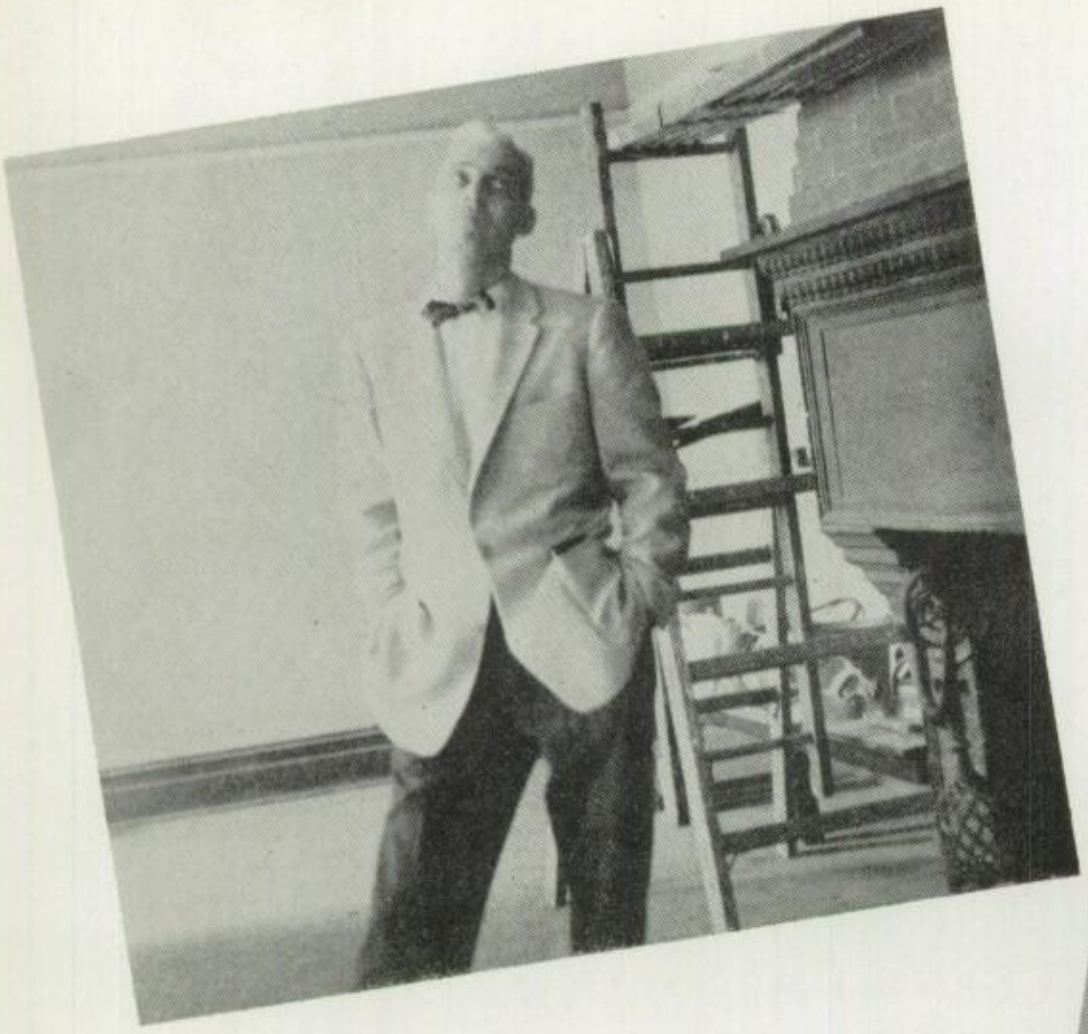
1957 SALMAGUNDI

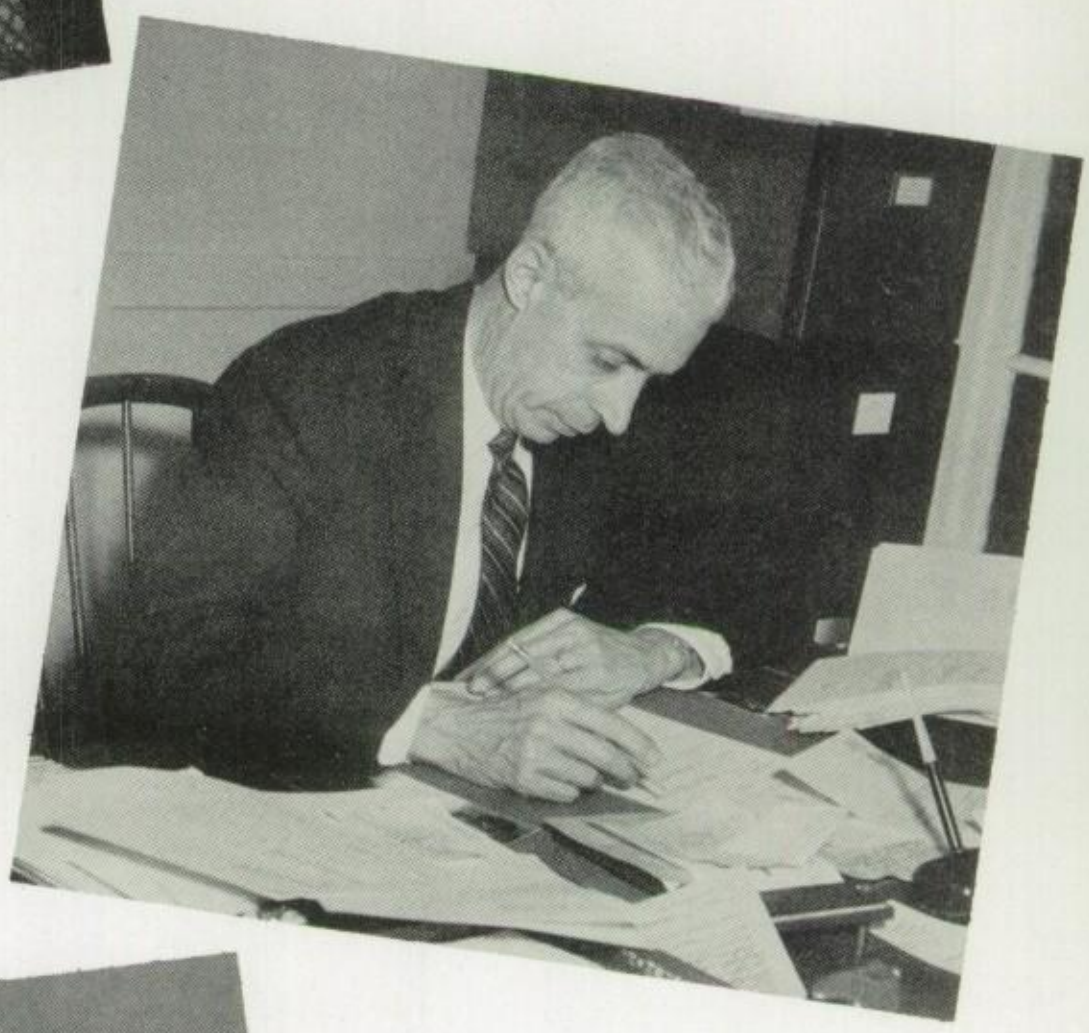


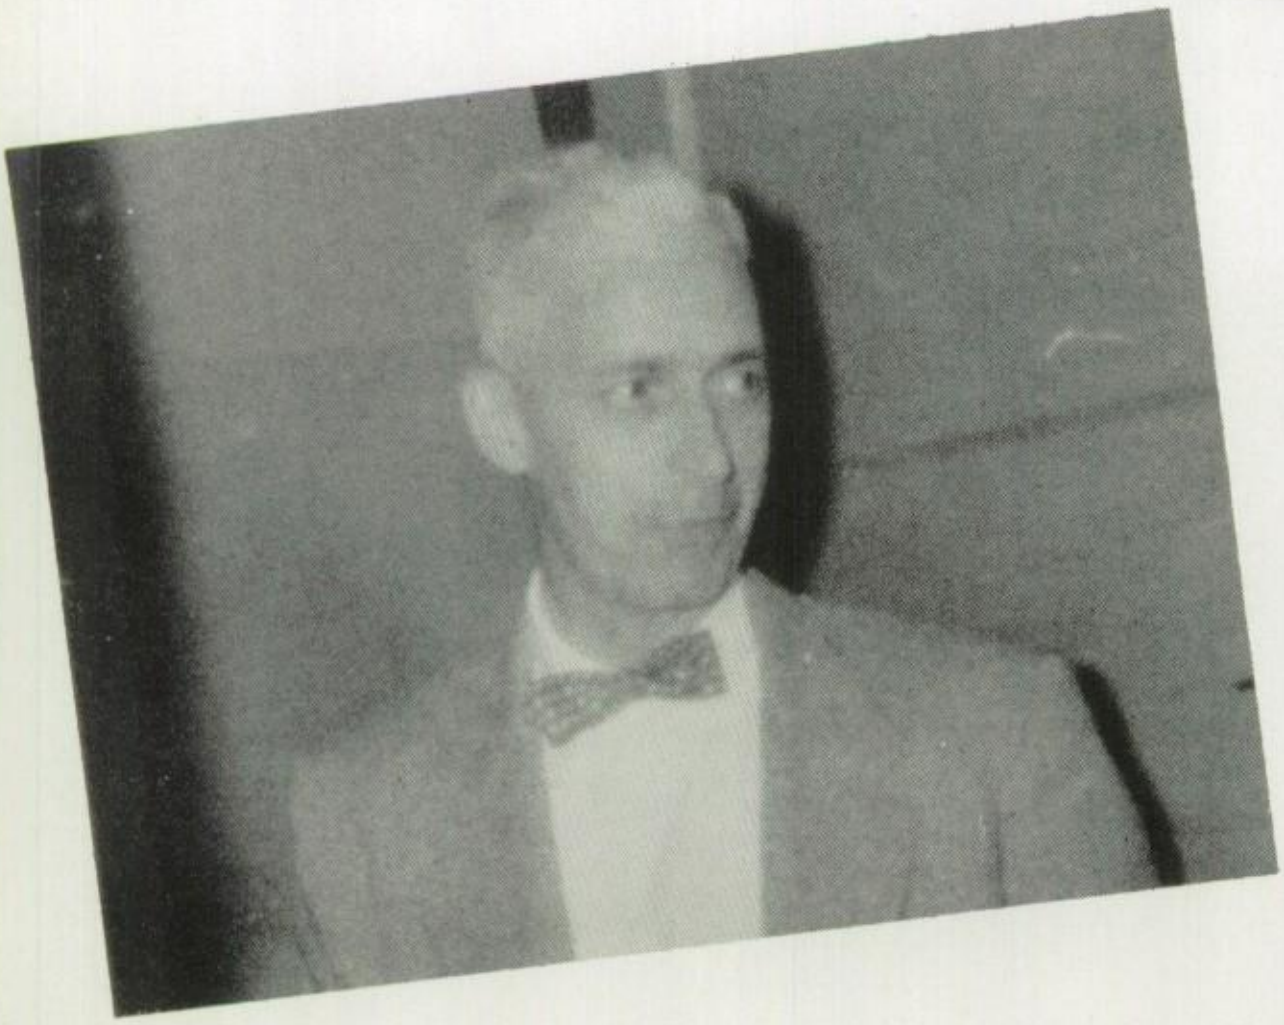
THE DEDICATION

We dedicate the 1957 *Salmagundi* to Mr. Thompson D. Grant in appreciation for the enjoyable and rewarding year he has given us. No other man could have accomplished the all too difficult task of running a school smoothly and making improvements, without neglecting tradition, as well as he did. Also, in the process, he has gained the love and respect of the entire student body.

Thank you, Mr. Grant, for a wonderful year. We wish we could have stayed longer.







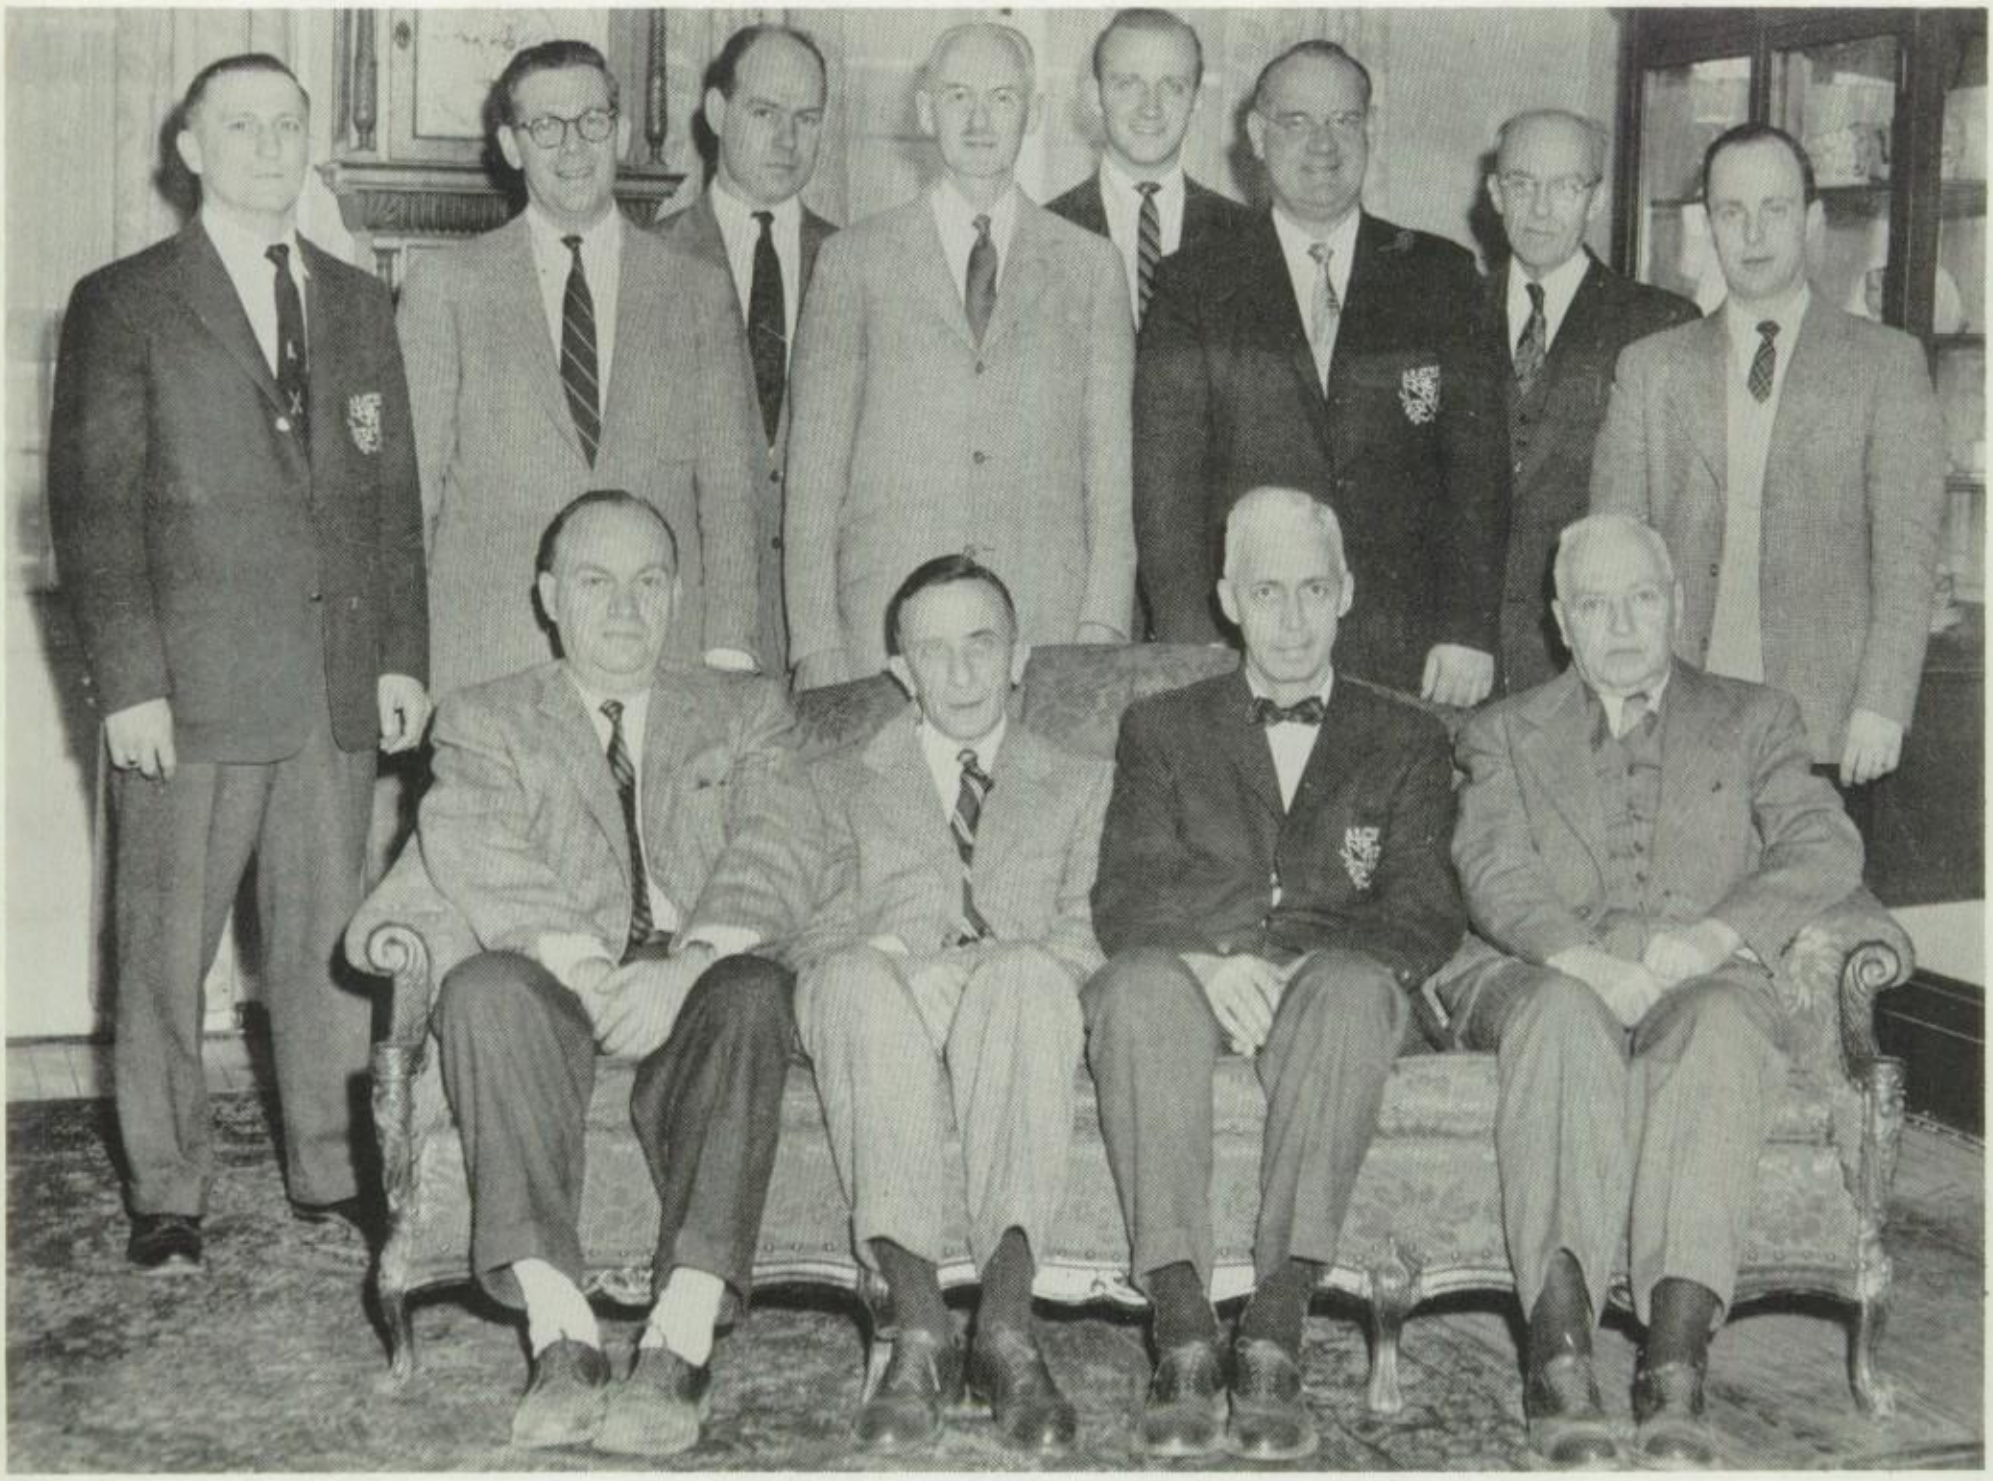
Address to the Faculty

The following remark is so often heard in reference to prep school teachers: "I could never handle those kids . . . I guess you just have to like boys." How true! Too rare are the men to handle the job! It takes patience to be a good teacher. It takes patience, endurance, understanding, and more understanding. We are fortunate at Morristown to have the finest.

We, the graduating class of 1957, wish to express here our fondness and appreciation of the faculty of Morristown School. Never could a group of boys be blessed with a better group of men willing to extend themselves to a seemingly unrewarding cause: taking an unruly handful of First-formers and slowly developing them into what, we hope, is a comparatively dignified and adult Senior class. The task is no easy one, we know.

But these men manage to face class after class without so much as batting an eyelash—well, possibly an eyelash now and then. Seriously, nothing seems to faze them, to discourage them. We are happy to have had the privilege of knowing these men. We thank them for all they have done.

Gratefully,
The Sixth Form



Seated, left to right: Mr. Burke, Mr. Wallace, Mr. Grant (Headmaster), Mr. Terwilliger. Standing: Mr. Molitoris, Mr. Paradis, Mr. Levesque, Mr. Rickard, Mr. McFarlane, Mr. Pflueger, Mr. Schabacker, Mr. Mackin.

Seated. Left to right: Green, Campbell. Second Row: Phillips, Herbison. Standing: Zeis, Adam (Senior Prefect). Missing: Walsh.

STUDENT COUNCIL

This year, because it is Mr. Grant's first year, the council has had a somewhat more responsible job. Under these new requirements the council has stood well. Led by the Senior Prefect Bruce Adam, the council has had one of the most successful terms in recent years.

Having helped us maintain the order which is traditional at Morristown, we owe much to those of the council.

ACTIVITIES

Seated. Left to right: Phillips, Zeis, Adam (Editor), Hine. Standing: Schwalb, Morrison, Desiderio, B. Lethbridge, Botwin, Capstick, Walsh, Nergaard, Dickerson, Mockett, Dau, W. Birch, Seabrook, Ketchum, Duryee.

SALMAGUNDI STAFF

This year at Morristown several changes have taken place, but the essence of Morristown life remained unchanged. This is what we have tried to present in the fifty-ninth Salmagundi.

There is much that goes into a yearbook other than pictures and articles. Much thought and consideration is involved in the production of a book such as this one. The staff, led by co-editors Jacob Maas and James Hine, have, we feel, through their efforts and devotion, produced a true picture of the 1956-57 school year.

NEWSPAPER STAFF

The "News" staff is Morristown's right hand. It is through the "News" staff that Morristown is represented to the world. Each issue of the "Morristown School News" is circulated through the entire Alumni of the school and is sent to all prep schools in the area.

The publication of the "News" is a larger task than the average person would think. Each issue involves weeks of hard writing and "setting up". Were it not for the "News" staff, Morristown would not be the fine school that it is.

Seated. Left to right: Seabrook, Maas (Co-editor), Hine (Co-editor), Newsome. Standing: R. Henry, Altorfer, Nestor, Wellbrock, Capstick, Dickerson, Adam, Zeis, Dodge, Botwin, B. Lethbridge.

THE GLEE

Morristown, in past years, has always been blessed with an outstanding Glee Club. Again this year we have had one with exceptional ability. Under the direction of Mr. Wallace, the Glee Club entertained us on Sports Night and at the chapel Christmas service.

The annual operetta was a success. The largest throng in years attended an exciting performance of Gilbert and Sullivan's "The Gondoliers". In May the boys of the Morristown School Glee Club joined with the girls of St. John's School to give a combined concert, the first in the school's history.

A great deal of credit must be given to Mr. Wallace and the Glee Club for the many hours of hard practice that were spent to insure a successful performance on every occasion.

CLUB

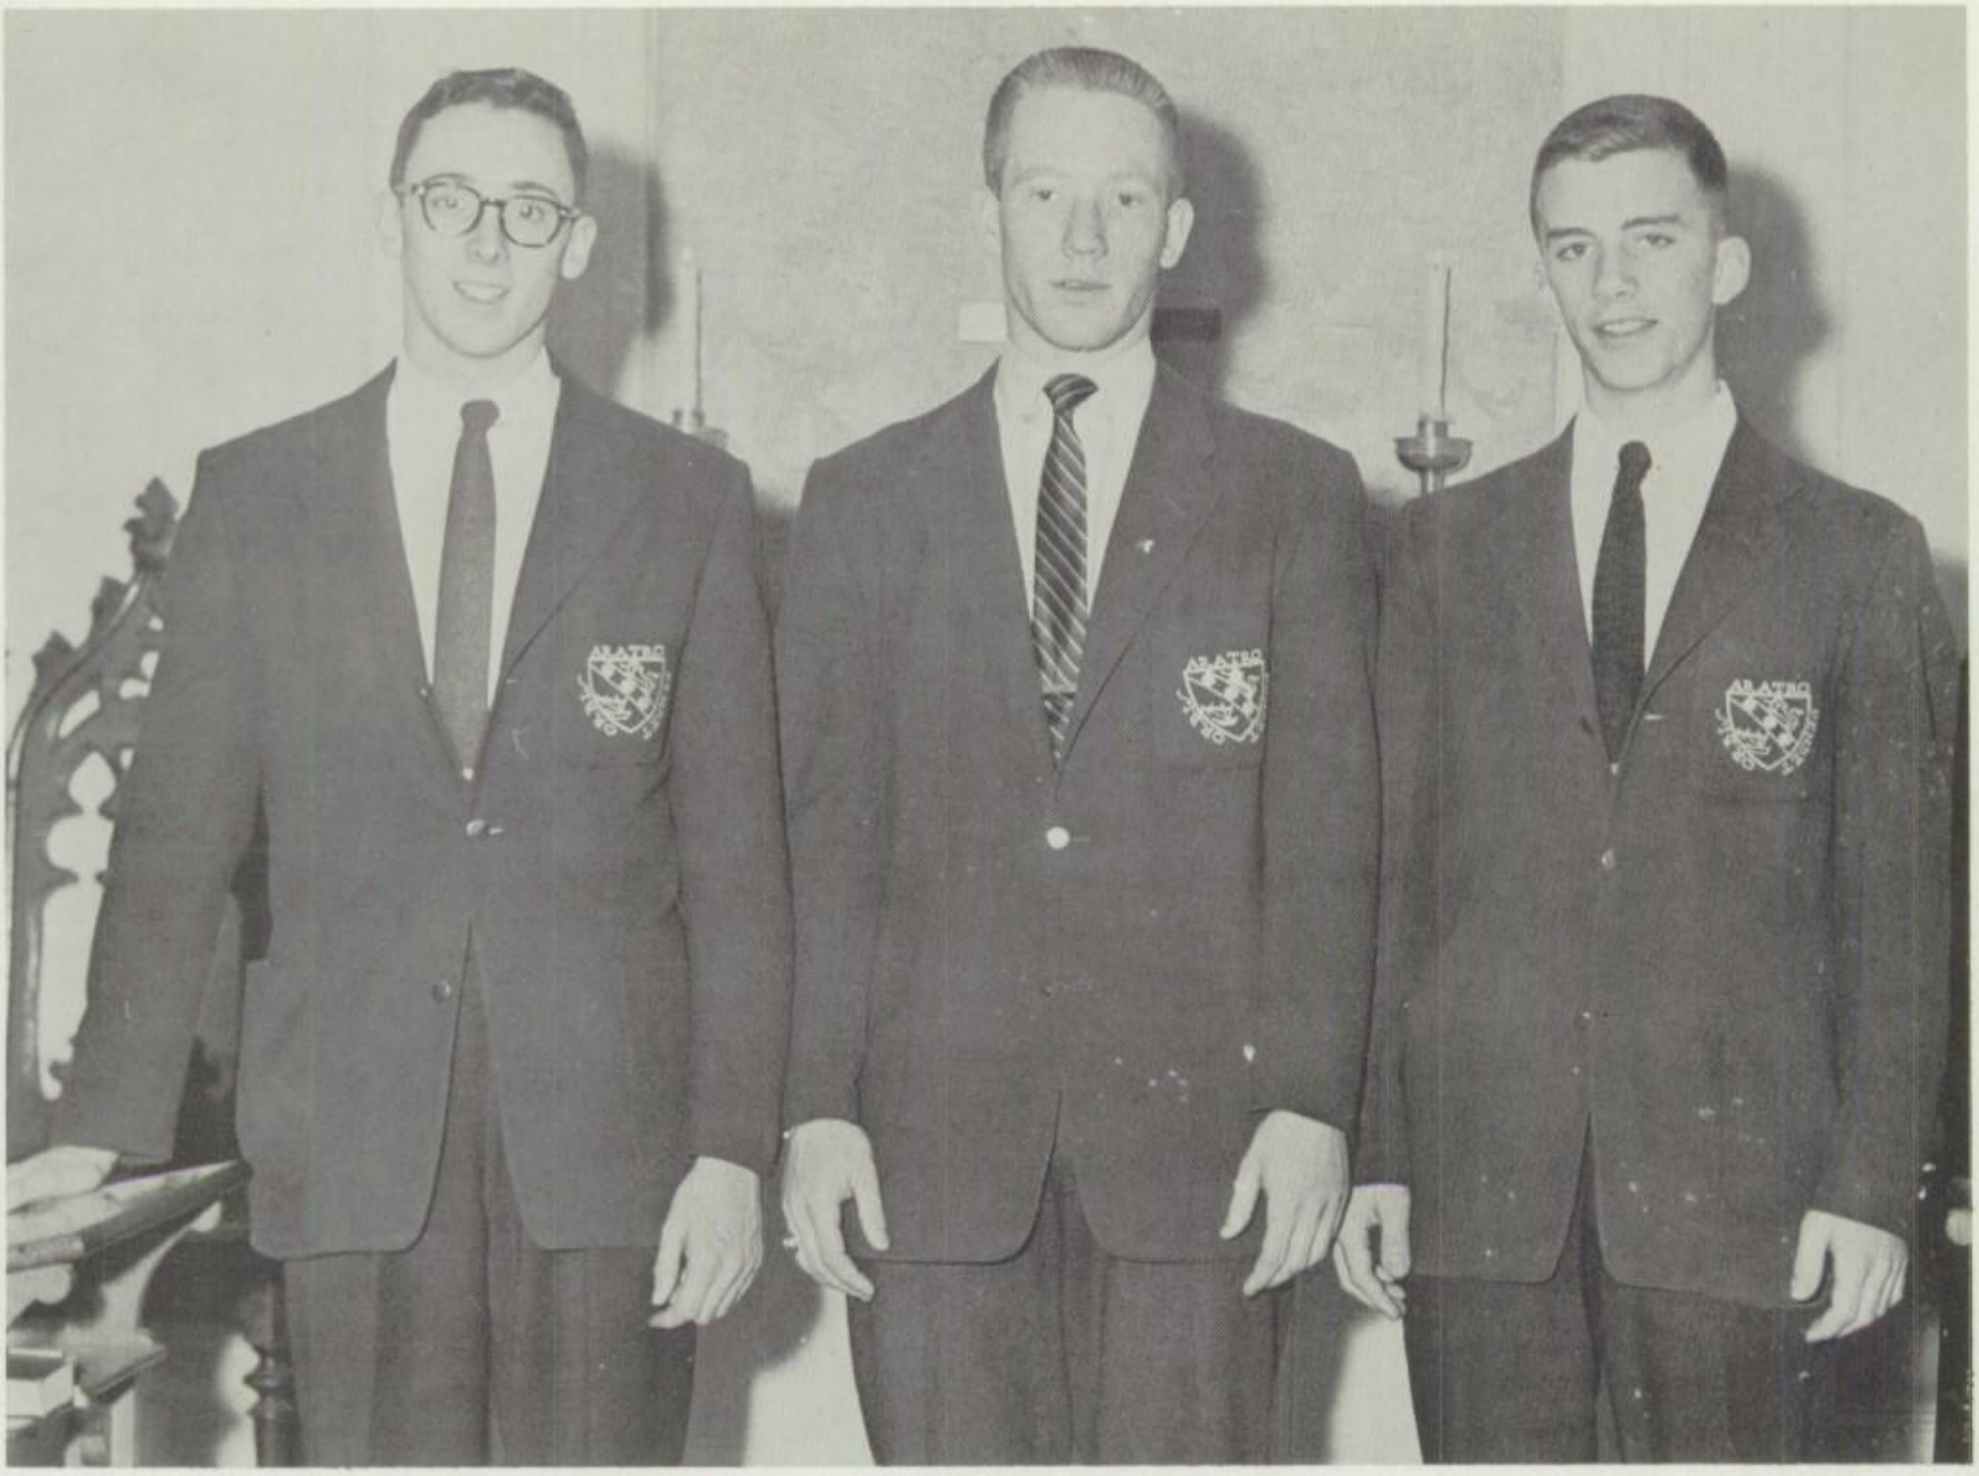
Seated, left to right: Savage, Jaeger, Dodge, W. Birch, Desiderio, Sickman, Scheller, R. Boeck. Standing, First row: Keenan, Burroughs, Perina, R. Birch, Richards, Walton, Orr. Second row: W. Boeck, Calissi, Barnett, Sherman, Seabrook, Kent, Wheaton, Timson.

ENTERTAINMENT COMMITTEE

The Entertainment Committee, which sponsors Morristown's social activities, has enjoyed one of its brightest years. Due to the assiduous work of the Committee, the dances have been the best in years. The attendance at the functions sponsored by the Committee has been extremely high.

Under the able leadership of Chairman Jack Zeis the Committee has put in many long hours to insure the best possible entertainment. As usual, the Committee sponsored such events as the Halloween party, the fall and winter dances, and the Senior Prom. The members have done a fine job that will be hard to match in future years.

Left to right. Phillips, Adam, W. Birch.



Seated. Left to right: Phillips, Newsome, Zeis (Chairman), Walsh. Standing: Sills, Wellbrock, B. Lethbridge, Dunn, Mockett, Adam, Altorfer, Morrison.

CHAPEL COMMITTEE

To the Chapel committee falls one of the most difficult and unappreciated tasks in Morristown School. Among the varied activities of this group are included the duties of changing hymn numbers, sweeping and dusting and entirely decorating the chapel for the Christmas service. It is a committee that is little recognized as a school function, but it affects each one of us with its many contributions toward making Morristown a better school.

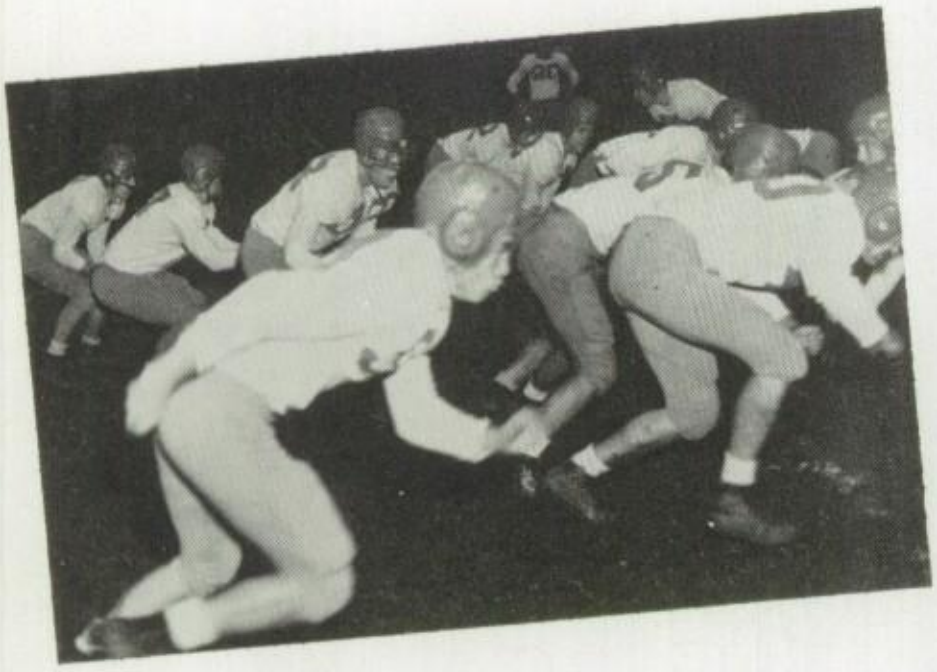
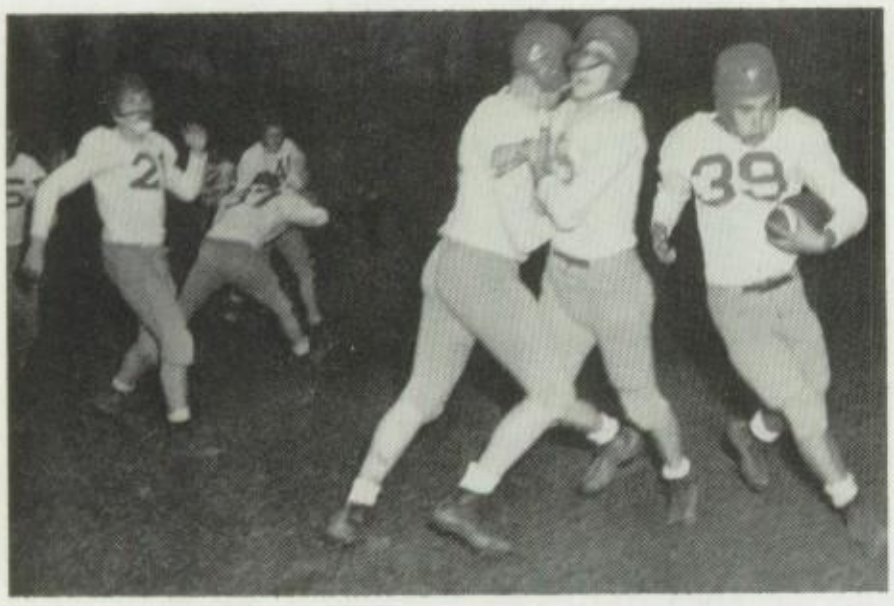
ATHLETICS



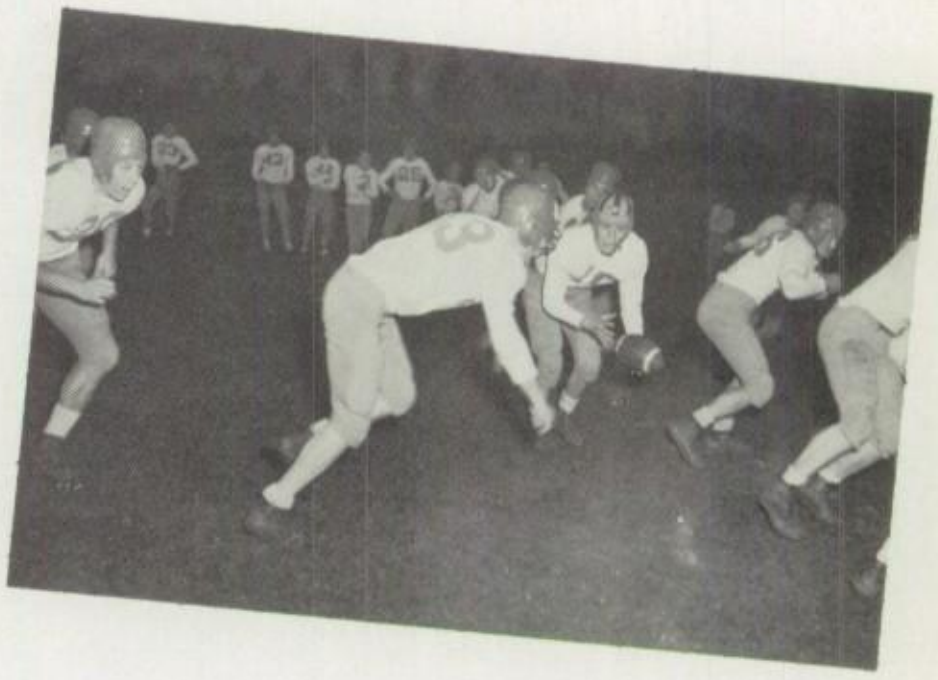
FOOTBALL



Although the 1956 football team cannot boast of a winning season, it can be proud of its determined efforts on the gridiron.

Coach Molitoris and assistant coach Coutts were greeted at the start of the season by seven lettermen. Within two weeks, two of these boys were out of action for the season. After the graduation

FIRST ROW: Desiderio, Kirwan, Kline, Lethbridge, Zeis, Nestor, Campbell, Adam, Herbison, Maas, Newsome. SECOND ROW: Tracy, Kirkland, Schwalb, Dunn, Phillips, Walsh, Giordano, R. Jones, Thorne, W. Birch, Shoemaker. THIRD ROW: Coutts (assist. coach), McBain, Price, Foster, Tatusko, Remsen, B. Seabury, Des Reis, Lanneau, Wheaton, Molitoris (coach). FOURTH ROW: Najarian, Dau, Grant (Mgr.), Crowl, Plant, Mockett.



of last year's entire backfield, Mr. Molitoris had to rebuild from scratch. Although the team was light and inexperienced, it was fast and dogged as proven by the rugged games played both at home and away.

Next year's team, with only four starters leaving, will probably end the season with the best record in the past four years.

From left to right: Zeis, Campbell, Coaches Molitoris and Coutts, Nestor.

Left to right: Morrison (alternate captain), Wellbrock (alternate captain), Zeis (captain), Mr. Molitoris (coach).

HOCKEY

This year's hockey team did not turn in as good a season as was hoped for, even though it had fine potentialities in respect to team and coach. A preseason tournament at West Point gave the team some valuable experience against teams of higher caliber. A lack of ice during the winter prevented the team from getting enough practice to stop their formidable opponents. A fine coaching job was turned in by Mr. Molitoris, who made the best of the team under the circumstances. Next year's team should shape up very well even though two of the mainstays, Zeis and Wellbrock, will be lost by graduation.

Left to right. Molitoris (coach), Dau (Mgr.), Henry J., Bassett, Tracy, Henry R., Kirkland, Gallagher, Seabury, Simonson, Morrison, Des Ries, Zeis (Capt.), Lanneau, Wellbrock, Jaeger, Giordano, Youngerman, Nergaard.

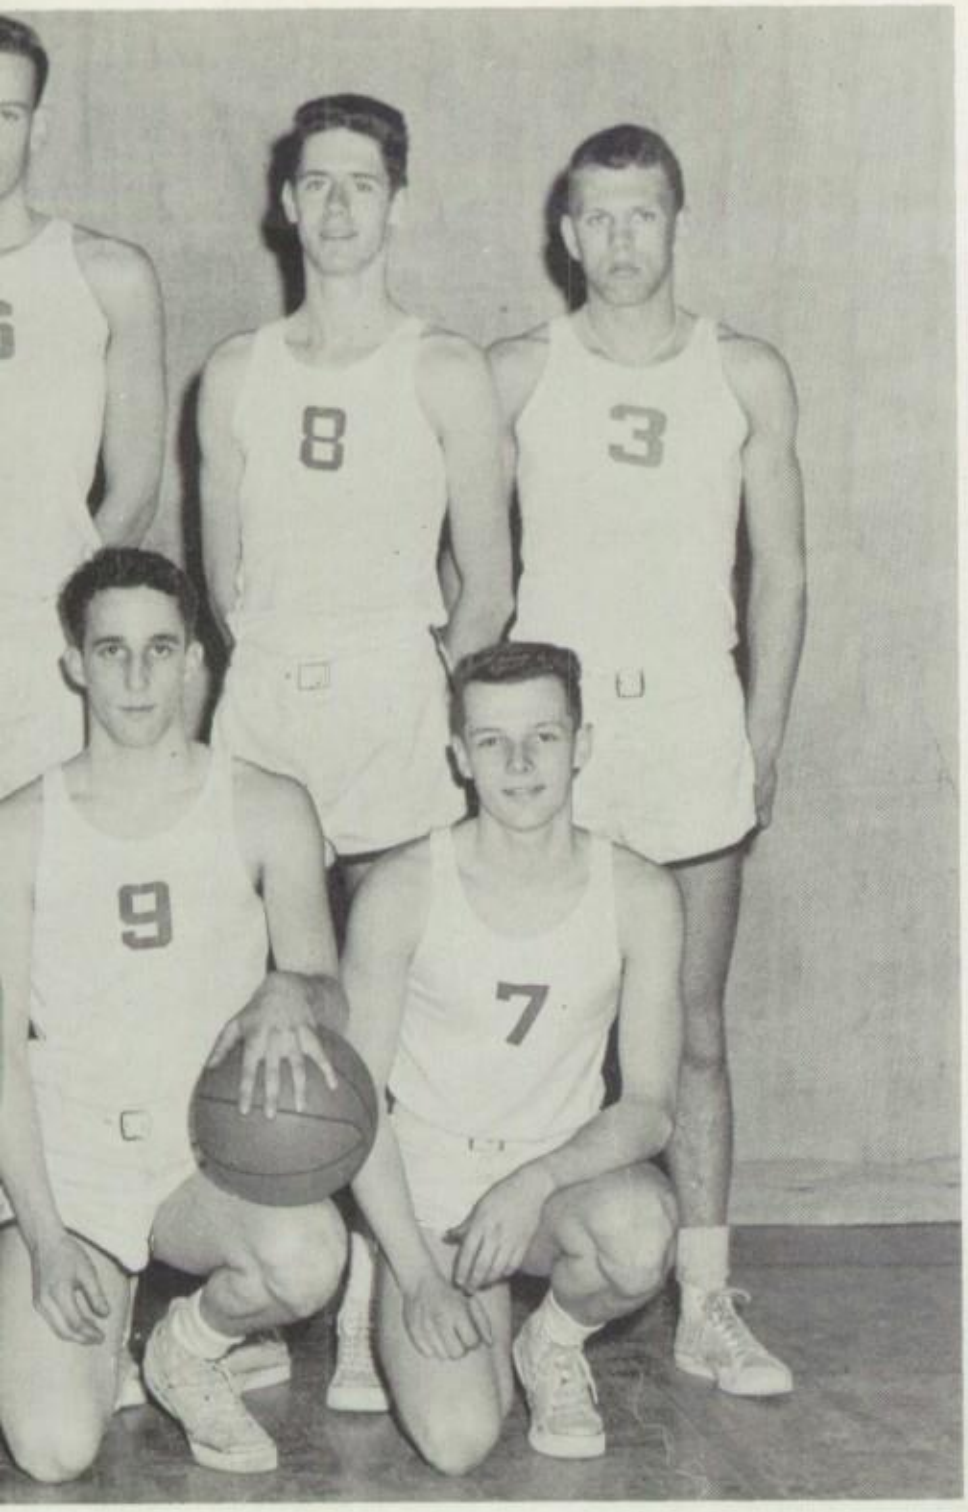
BASKETBALL

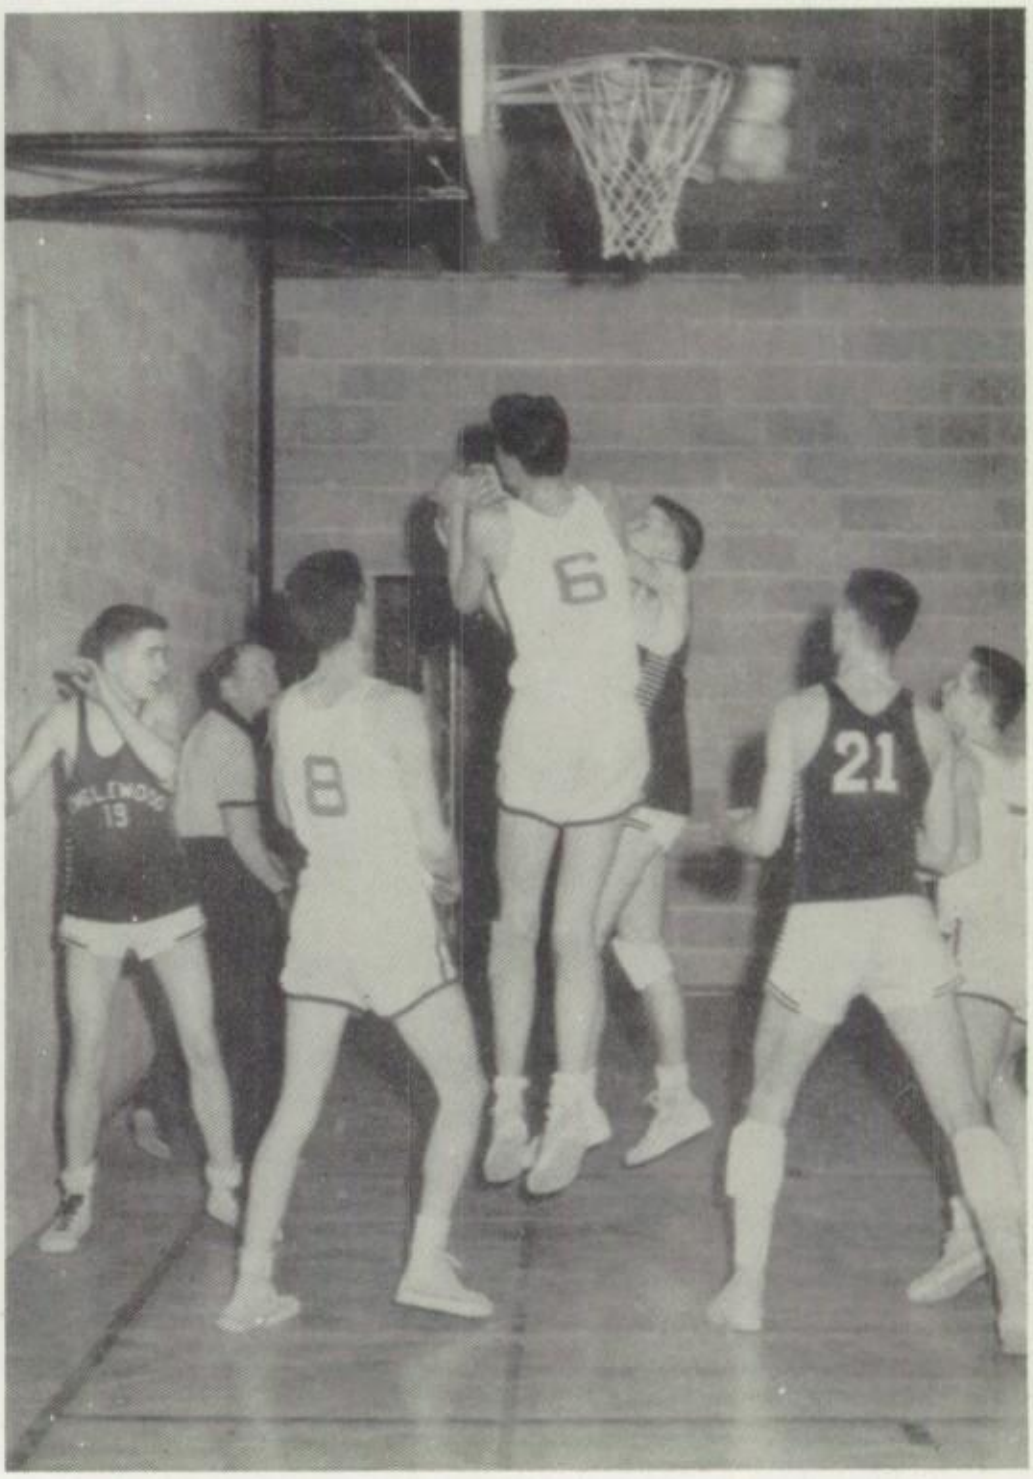
JUNIOR VARSITY

Kneeling, left to right: Boeck W., Ketcham, Stewart, Parkin. Standing: Duryee, Norton, Rea, Barnett.

Kneeling: Left to right. Maloney, Phillips, Campbell (captain), Brandle, standing: Plant, R. Jones, Whitman, Nelson, Dunn.

This year, although Morristown's cagers can not boast an outstandingly successful season, we have high hopes for next year's team. Weakened by the loss of two of the better members of the team, Morristown spent this year gaining experience for future





teams. In this line, for the first time Morristown fostered a junior varsity team to give the younger team members an opportunity to play in competion outside the school.

The best of luck to next year's team and its coach Mr. Mackin.

Kneeling, left to right: Sills (Captain). First row, standing: Renigar, Morrison, Brandle, Green, Danco. Second row: Duryee, Cocks, Nelson, Sherman, Pike, Fainglas. Third row: Dodge, Hine, Whitman.

CROSS COUNTRY

This fall Morristown's cross country team had a very successful season. Having lost only once in dual competition, Morristown was again edged out at the Ivy League meet taking second only to Eastern Christian. As Morristown's newest varsity sport cross country is also becoming one of Morristown's most successful sports.

With hopes for the future we wish next year's team much luck.

BASEBALL

Kneeling, left to right: Brandle, Barnett, Giordano, Lethbridge, Pugh, Des Reis, Fanok. Standing: Duryee, Nelson, Campbell, Coach Burke, Wellbrock, Zeis, Shoemaker. Missing: Hiley, Riley, Lum, W., Ruthven, White.

Under Coach Burke's fine direction, the 1956 baseball team compiled a record of 11 wins and 4 losses. Only Oratory surpassed the team in the league standings. Led by the hitting of Jack Reilly and Dave Hiley and the pitching of Bill Lum and Harry Fanok, the team had a fine season highlighted by two victories over our big rival, Delbarton. With only three starters lost on prize day last year, the team should be even better in 1957.

Kneeling, left to right: Peabody, Briggs, Wilkins, Baran, Adam, Maas, Pitman. Standing: Rearick (Mgr.), Danco, Green, Bell, Schwab, Birch, Hancock, Desiderio, Budd, Coach Molitoris, Price, Tatusko, Najarian, Pike, Zeis, Des Reis, Rea, Koeck.

TRACK

Morristown's 1956 track squad had its best season in years and the team was undefeated in dual meet competition. Although the team swept five of eight first places in the Ivy League Meet, it lost to Delbarton by seven points. Throughout the season, Mr. Molitoris could depend upon steady performances from Captain Bob Wilkins, Jack Reilly and Chace Peabody, who set a new Ivy League mark in the 440. It will be hard to surpass the excellent job done by the fine 1956 team.

TENNIS

The tennis team of 1956 due to an outstanding team and coach, was extremely successful. The foremost players were Dunn, Overman, Capstick and Phillips. This year the team is fortunate enough to have three of these four still with them; Overman, unfortunately, has graduated.

With the excellent coaching of Mr. Levesque and a little luck the team hopes to be equally successful in 1957.

Left to right: Walton, Bertha, Rutgers, Capstick, Seabrook, Dunn, Coach Levesque, Overman, Krementz, Phillips, Jaeger, Kennedy, Gillespie.
